# OHSAS: 18001 2007 Health & Safety Policy Statement

Geo-Environmental Services Ltd recognises that the disciplines of health and safety are an integral part of its management function. The Organisation views these as a primary responsibility and to be the key to good business in adopting appropriate Health & Safety

The Organisation Health & Safety policy calls for continuous improvement in its Health & Safety management activities and business will be conducted according to the following principals:

The Company will:

- Comply with all applicable laws and regulations.
- Follow a concept of continuous improvement and make best use of its management resources in all matters of Health & Safety.
- Communicate its objectives and its performance against these objectives throughout the Organisation and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and subcontractors and others who come into contact with our work.
- Work closely with clients and suppliers to establish the highest Health & Safety standards.
- Adopt a forward-looking view on future business decisions that may have Health & Safety consequences.
- Train our staff in the needs and responsibilities of Health & Safety management.
